ADDENDUM NO.2

For clarification purposes, the Town of Westford has additional funds available through separate appropriations that can be applied towards this study for the specific purpose of investigating the relocation of the soil adsorption system for the wastewater treatment facility. These funds are in addition to the \$60,000 appropriation that is referenced in the Request for Qualifications that is available for developing the Athletic Complex Master Plan.

The Permanent Town Building Committee and the School Department will negotiate with the selected consultant an appropriate scope of services and fee that will provide an adequate response to MassDEP regarding the violations listed in the Administrative Consent Order.

All proposals must be received at the Westford Public Schools Office, 23 Depot Street, Westford, MA 01886 by no later than 2:00 p.m. on Friday, September 18, 2015. Acknowledgement of receipt of Addendum No.1 and No.2 must be listed in the cover letter of the proposal.
